

1. Log in to your personal online banking, and send an Interac e-transfer to the recipient, Williams Lake Field Naturalists, to the email address [joycemembership@shaw.ca](mailto:joycemembership@shaw.ca). There is no need to create a password for the transfer as it is an auto deposit to the club's bank account. Please put your name in the message so I can link your payment with the new years' membership form.
2. The bank will send you a notification of the deposit and the transaction is complete.
